## MOONLIGHT AND MAGNOLIAS

a comedy by Ron Hutchinson

*Moonlight & Magnolias* delivers a comic behind-the-scenes look at the less-than-willing "collaboration" that produced the final script of *Gone With The Wind*. It's the stuff of Hollywood legend when producer David O. Selznick, desperate to salvage what has become a train wreck of a movie, locks himself, along with director Victor Fleming and screenwriter Ben Hecht, in his office for a marathon, five-day rewrite of the script. Fueled by only bananas and peanuts, the three egos battle one another as they struggle to adapt Margaret Mitchell's novel into the blueprint for one of the most successful movies of all time.
